

EE3031 week7(4/9)

Exercise_example_r09941007

Location:(Github, formal ans)

<https://reurl.cc/R6YQj6>

^ Extra exercise will be uploaded to the repo every week.

My_Example_code:(upload after class)

<https://reurl.cc/OXYe1A>

Note:

Code will be uploaded after each class,

It's **just** my method, you **don't** need to be exactly the same, just code a project with **similar function**.

Show me your results of each exercise.

extra_exercise x 3

<https://reurl.cc/ynGRr6>

Hint:
Declare functions to make your code clean & organized.
